### **Campground Procedure:**

- When arriving at GIHP, go ahead and find your desired spot and park your camper.
- Inform the office staff of your electrical box number in order for us to unlock it for you.
- Camper spots are first come, first serve. You may drop your camper off on Thursday. If you plug it in on Thursday, you will be charged for that night. If you wish to plug it in on Thursday, you must arrive by 4:30PM, or make arrangements with us to leave a box unlocked for you. If you wish to only drop it off and not plug it in on Thursday, you will not be charged. We will not be available to open boxes from 5:00 PM Thursday until 9:00 AM Friday; if you are renting a camper, please inform them of these dropoff times.
